PURE SINGLE JAMAICAN RUM

RUM FIRE

Pure Single Jamaican Rum – 63%, 70cl

Brand

Founded in 1753, Hampden Estate has been distilling rum for almost three centuries in the Trelawny Parish, historically known as the grand cru of Jamaican rum. Produced with unique and partly secret methods that have remained unchanged since the 18th century, Hampden Estate rum has a distinct and iconic aromatic profile.

Product description

Rum Fire was developed with the clear intention of crafting a white rum that remained true to the heavy pot still style of Hampden Estate. Made from molasses that go through extended fermentations conducted by wild yeasts, it acquires the unique and funky aromatic profile that Hampden Estate is world-famous for. The distillation takes place in copper pot stills, yielding an intensely aromatic, high-ester white rum. Unique, bold and full of tropical notes, Rum Fire packs a lot of complexity and brings enough personality to add depth to a large array of cocktails.
