HAMPDEN ESTATE GREAT HOUSE DISTILLERY EDITION 2020

Pure Single Jamaican Rum – 59%, 70 cl

Product description

Hampden Great House 2020 is the second release of the exclusive distillery edition. It's sold at the distillery and in limited quantity in select markets.

Great House Distillery Edition is a tribute to the astonishingly old mansion at the distillery.

Hampden's Great House was built in 1779 by the first owners of the Estate, the Stirlings. Its first floor was used for rum storage (barrels waiting to be transferred to the cargo ships) until the 20th Century. Today, it's the house of representation for guests and visitors.

Hampden Great House 2020 is a blend of two different rums of different marks and vintages: 80% OWH 2013 and 20% <>H 2017. OWH refers to the classic light Hampden formula while <>H is an iconic mark of the distillery, esteemed by rum experts all over the world.
