HAMPDEN ESTATE PAGOS

Pure Single Jamaican Rum – 52%, 70 cl

Range

Founded in 1753 Hampden Estate has been distilling rum for almost three centuries in the Trelawny Parish, historically known as the grand cru of Jamaican rum. Renowned throughout the world for its full, intensely flavorful rums, Hampden Estate has always produced quintessential, heavy pot still pure single rums, using unique methods that guarantee its remarkable aromas and truly exceptional taste.

Taking its name from the Spanish word used to describe plots of vineyards in the Jerez area, Hampden Estate Pagos is the first bottling in the distillery's history to be exclusively aged in sherry casks. Like the world's most aromatic whiskies, such as those produced on Islay, the Jamaican rum embraces perfectly with the Andalusian wine's notes of rancio without being overpowered by them, leading to a completely new profile of aromas. It is the perfect bottle to appeal to rum enthusiasts and fans of sherry cask single malts alike.

Product description

Hampden Estate Pagos was born out of a partnership with the famous Bodegas Lustau in Jerez, around the idea of ageing entirely a Hampden rum in prestigious Oloroso and Pedro Ximenez 500-liter Sherry butts. After three years, the emptied casks were ready to host the intensity of Hampden rums and were moved to the distillery.

The colour, aromas and palate of Pagos are deeply imbibed with the unique woody notes of Oloroso and Pedro Ximenez. In order to respect this perfect synergy with Hampden Estate's high esters profile, Pagos has been bottled at 52% ABV.
