## HAMPDEN ESTATE 2016 LROK THE YOUNGER 3 LITERS

Pure Single Jamaican Rum – 47%, 3L

Range

Founded in 1753 Hampden Estate has been distilling rum for almost three centuries in the Trelawny Parish, historically known as the grand cru of Jamaican rum. In 2009 Hampden Estate started to age its Pure Single Rums, opening a new era in the world of spirits.

Hampden LROK The Younger is a unique rum. Made solely from the LROK mark, it combines the aromatic intensity due to its tropical aging and the freshness of a young rum.

Thanks to this generous and exclusive format, The Younger can be shared and enjoyed in a festive and original way.

Product description

Hampden Estate is known for producing a large variety of distillates.

LROK stands for Light Rum Owen Kelly, one of several marks made at Hampden Estate and refers to a rum with a high ester concentration, ranging from 200 to 400 gr/HLPA. This mark, created in 1952, belongs to the “wedderburn” category, i.e. the heavy rums.

In this case the ester content is of 314,8 gr/hLPA. Hampden Estate The Younger has been aged for 5 years in the tropical Jamaican climate.

Despite its 5 years of age, this "youngster" does not lack temperament and offers a perfect balance between character and freshness.
