

The HAMPDEN

OLD PURE SINGLE JAMAICAN RUM

HAMPDEN GREAT HOUSE DISTILLERY

Pure Single Rum. 59%, 70cl

Hampden Great House is the exclusive Distiller's edition created by Vivian Wisdom. It's sold at the distillery and now also in Europe in limited quantity.

Great House is a tribute to the astonishing ancient colonial-style mansion at the distillery, established in 1753 by the first owner of the Estate, the Stirling family. Today it's the house of representation for guests and visitors.

Hampden Great House is a blend of two different rums of different marks and vintages: OWH 2012 at 80% of the blend and <>H 2016 at 20%. The first is the light Hampden formula and the second is the iconic mark that got high recognition by rum experts all over the world.
