Pure Single Jamaican Rum – 61,9%, 70 cl

Range

Hampden Estate was founded in 1753 and has been distilling rum for almost three centuries in the Trelawny Parish, historically known as the grand cru of Jamaican rum. Renowned throughout the world for its full, intensely flavorful rums, Hampden Estate has always produced quintessential, heavy pot still pure single rums, using unique methods that guarantee its remarkable aromas and truly exceptional taste.

Product description

The first part in a sensory journey dedicated to Hampden's oldest stocks aged in a tropical climate, this version is in the same HLCF category (ester content of 500-700 gr per hectolitre of pure alcohol) as the single casks 79 and 80.

Its palette of flavours and aromas is an uninterrupted succession of herbaceous, empyreumatic, fruity, hot and heady sequences that bring it huge texture and underscore its extremely oxidative character.
